Members Report

1 – Fun Day – June 20th – Recap of the events and inflatables for the Fun Day event. Discussing timeline with grades and volunteers to finalize volunteer timing for the day

The company Main Event (approved by the board) will be providing us with inflatables (approx 5 inflatables of varying sizes. One being a large obstacle course). The cost of the inflatables including a generator and a staff member is approx \$2137.40 including tax. This Friday Denise met with the main event coordinator sept who did a site inspection of the grounds . She also measured the gym and stated that should June 20th be a rain day, we could possibly fit all the inflatables in the gym. Failing which we have one year to book an alternate date.

We also plan to put out the games that were ordered previously by council (Denise will be opening the boxes and looking at the games with Nada this Thursday morning).

For food we are offering a slice of pizza (choice of either pepperoni or cheese). 1 freezie (Freezies are being donated by Kisko) and a small bag of chips (cost is \$13.99 for 36 bags to be purchased at Costco) for each child.

Parents will be sent order forms to decide and consent to their child being given any or all of the above and to select the choice of pizza slice. We are going to advise parents to supplement their child's lunch should they want to on that day. The Big games purchased will be available to be used for Fun Day. Volunteers confirmed Catherine, Denise, Paulina, Joanna, Cristy, Jaime, Sandra and Joyce.

2. Discussion on fundraisers for next year – Spookathon, open house for September, lollipop board with coin box and cookies to increase school funds.

3. Next meeting to be held in October 2023.
